## PROFILE

I am an ambitious Master's student in Finance and International Relations, actively seeking challenges that will allow me to develop practical skills in the areas of politics, finance and economics. I am interested in working in a dynamic, international environment where I can combine an analytical approach with the ability to collaborate effectively and gain valuable experience by being involved in international initiatives and projects.

## WORK EXPERIENCE

### Junior Project Manager | Yalta European Strategy (YES)

June 2024 - February 2025

During my internship at YES, I organised two international conferences in Kyiv and an event at the Munich Security Conference. I coordinated visits of high-ranking political representatives, including the President of Estonia, Ministers of Foreign Affairs of Poland and Lithuania. I was responsible for managing the delegation's agendas, official correspondence with embassies and international institutions, as well as preparing analytical and briefing materials.

### Company representative | China Home Life

November 2022 (1 month)

Presenting the company at a trade fair for Chinese organisations in Warsaw. Engaging customers to learn about the company's production, presenting the product in a way that encourages them to buy, and mediating business talks between the customer and the company's owners.

### Assistant of organizers | "Let's do it, Ukraine"

June 2021

Volunteer work during the organisation of an event promoting the clean-up of city beaches in Kyiv. Setting up and preparing the location, following the event plan and communicating with the press.
